Key To The Region

Set in its own lush tropical garden, and right on the shores of the Gulf of Siam, Central Village, Hua-Hin is the ideal place to experience Thailand's original beach destination.

The feeling at Central Village, Hua-Hin is distinctly Thai village style, in a garden setting complete with fountains, rock pools and ponds leading down to the sea.

The town of Hua-Hin is right on our door-step, providing guests with a taste of Hua-Hin's street life and bustling markets.

Comfort With Privacy

Our 41, one and two bedroom bungalows are spread throughout the tropical gardens leading to the beach. Each bungalow provides the calm and privacy only found within such a resort setting.

Each bungalow has its own raised terrace, and features teakwood floors, air-conditioning, minibar, coffee and tea-making facilities, television with International satellite programming, and in-house movies, as well as private bathrooms with shower.

Our two-bedroom bungalows have their own ensuite bathroom, and a lounge room providing facilities with comfort and space.

At Your Leisure

Central Village Hua-Hin has its own swimming pool overlooking the sea and a complete range of land and watersports are available at the adjoining Hotel Sofitel Central Hua-Hin. These activities include tennis, a golf putting green, volleyball, snooker, games room, and spa and health club.

A wide range of excursions are available from fishing, the River Kwai, National Parks and their islands, the many temples, as well as the Royal Palace, all available for guests to discover the region.

Relaxation and Activities

Hua-Hin was Thailand's first beach destination and has been a favourite with the aristocracy since the 1920's. Golf has long been linked to the destination, and there are now six international standard 18 hole golf courses within easy reach of the hotel.

Choice of Dining

The Salathai Restaurant overlooking the pool area is an ideal place to enjoy a meal, while sitting under the ancient shady trees. The bar is just the place to unwind as the sun sets and the evening gets under-way. And of course at the Hotel Sofitel Central Hua-Hin, there are two restaurants, three bars and a night club at your service.
